**Cohen Young Fellows Proposal**

In an attached document, please develop a proposal which addresses the following question:

*How would you teach children about mental health? Develop a **detailed** plan for educating the youth with whom you intend to work. Include supplies needed, cost, and target population (age, gender, ethnicity, location, etc). Consider the culture and issues of diversity for your target population as they relate to mental health. Be as specific and detailed as possible in describing exactly what it is that you would do.*

A completed application form and proposal should be submitted on or before February 1, 2010 to:
